

Rallye Sanremo: here the “special” prizes of Msc, Gnv and Europam

SANREMO (IM), 6 April – Rally and Sanremo are inseparable words known throughout the world. The competition that has its roots in the heroic era of motorsport is a "Classic" now in its 66th edition. The Rallye Sanremo brand overcomes the border of motorsport enthusiasts on all continents.

In 2019 the prestige and history of the race are joined by major international brands that have decided to support the event. In addition, as in the golden age of rallying, companies will be giving away a series of prizes for the crews taking part in the race.

MSC Cruises is a sponsor of the Sanremo Rally and is giving away two cruise vouchers for two persons on the new MSC Bellissima for the crew that will climb the top step of the podium in the second round of the Italian Rally Championship.

The Grandi Navi Veloci Group awards both in the modern rally and in the historic rally. The GNV group offers the Genoa-Palermo ferry round trip for the next Targa Florio. Each of the winners of the longest special stages valid for CIR and CIRAS, respectively the Ronde Testico-Colle d'Oggia and the Testico-San Bartolomeo, will have availability for a van with trolley and race car, plus another car, in addition to two cabins for two persons.

Europam is the sponsor of the Sanremo Historic Rally. The company, engaged for over 50 years in the energy sector, rewards the members of the crew winning the race reserved for the cars that have written the history of rallies, with two 500 euro fuel cards each..

During the 25-hour live broadcast on **Primocanale Motori** it will be possible to see the awarding of all the special trophies offered by **Msc Crociere**, **Grandi Navi Veloci** and **Europam** for the 66th Rallye Sanremo. The prizes will be awarded to the competitors who, in the respective rallies to which they are entered, will display the special logos prepared by the sponsors for this special occasion on their car. The prizes are not cumulative: if the winners of the CIR and CIRAS race are also the fastest of the longest special stages, the prize for these will go to the second classified.
